***This Month's Updates:***

- A total of \$200 USD donated has been provided in the form of monthly support (\$50 USD per family per month) to 4 families
  - Each family has more than one member living with a chronic disease
  - 1 is from Beirut and 3 are from Mount Lebanon
  - Next month, we aim to extend this monthly financial support to a total of 10 families, including 4 from the northern district of Lebanon
- A total of 28,338,000 LBP (approximately \$1,800 USD) has been paid to cover part of the hospitalization bills of 6 patients
  - 2 patients are from Beirut, 2 are from the Beqaa, and 3 are from Mount Lebanon
- 3,700,000 LBP (approximately \$230 USD) has been covered in imaging studies of 4 patients
  - 3 of these imaging studies were PET scans for cancer
  - 2 patients are from Beirut, 1 is from the South, and 1 is from the Beqaa
- 3,300,000 LBP (approximately \$200 USD) has been spent on medications for 21 patients with chronic diseases
- 6,000,000 LBP (approximately \$375 USD) has been donated to the KZ dispensary as part of our commitment to provide unavailable and urgently needed medications and consultations and to cover laboratory fees for patients who cannot afford to do so
- In the KZ dispensary, 13 patients with DM and/or thyroid problems were seen by the Egatha-affiliated endocrinologist and 25 patients were seen by Egatha's Head of Operations
- Over the counter medications and HGT strips were donated to the KZ dispensary
  - Over 20 patients, including those from Bint Jbeil communities and the old city of Tyre in South Lebanon, have benefited from these medications
