

_____, 2024

To whom it may concern,

Egatha Foundation for Health Services is a nonprofit 501(c)(3) charitable organization based in the USA, whose goal is to help people who cannot meet their medical expenses in Lebanon. We aim to alleviate the suffering of patients living in poverty who struggle in obtaining access to health care centers by providing financial support for emergency room visits and inpatient medical care. Egatha also provides monthly medications and consultations for those with heart disease and diabetes. As of today, Egatha has helped over 1300 patients since 2022.

On **Saturday, November 2nd, 2024**, I will be participating in **Egatha's Annual Fall Walkathon/5K**. I am especially motivated because my love of walking/running will benefit a worthy cause—**100% of what I raise will go directly to Egatha Foundation for Health Services**.

To help me reach my goal, I would greatly appreciate your sponsorship. I've pledged to raise \$_____ by November 1st. With your contribution, no matter how small or large, I can reach my goal and directly help patients. All donations are, of course, tax deductible. Our EIN: 85-1042725.

To sponsor, please donate via **Venmo: @egathafoundation.org** or **visit our website, www.egathafoundation.org**. Once on the website, click the **"Donate"** tab in the upper righthand corner!

If you wish to mail a check, please detach and mail the following form. Thank you for supporting me and such a wonderful cause!

Sincerely,
